From a pigeon's-eye view, a city is a marvelous place, full of adventure and surprise! See and feel a pulsing city from the unique perspective of a pigeon! In the process, the reader gains a new appreciation for this special bird that has chosen to live in urban canyons all over the world. The colorful illustrations are entirely constructed from polymer clay by award-winning artist, Jeanette Canyon, illustrator of the popular *Over in the Ocean: In a Coral Reef*.
