出版时间:2007-3

装帧:Pap

isbn:9781402735868

Kids will take their stickers and swim through the waves where they'll meet Mer-people, see a school of fish in their bus, watch a seahorse race, visit a sparkly coral reef, and find a sunken galleon filled with treasure. To end a perfect day, there's a

"beach" below the waves where everyone plays. This is one of the cleverest, wittiest sticker books ever!
