Is he a Leech? Or Mr. Ego? Or The Burdened Beast? Learn the twenty-five different loser types of men and how to send them out of your life!

Sure he's gorgeous, funny, and charming--but early in any doomed relationship there are warning signals foretelling the bad news to come. Studies show that most women will try to justify these signs, excusing them so they don't interfere with their fantasy of having met the perfect man. Unfortunately, such signs are usually all too prophetic--they are the essence of what Drs. Gary Aumiller and Daniel Goldfarb call "Red Flags." The question then becomes how to detect and respond to a Red Flag before it's too late. This first-of-its-kind book will help readers determine a man's all-important "loser potential" within the first three dates.

Each chapter includes a profile of a different loser, a post-date quiz to help you determine if Mr. Right is Mr. Wrong, and important information about the best way to break up with him. Red Flags has all the fun of a magazine quiz combined with the expertise of psychologists who specialize in the techniques used by the police to profile criminals. They know how to spot the rejects--and now you will, too!

"After reading Red Flags you'll never be stuck in a bad relationship again. Thank you, Doctors Aumiller and Goldfarb, for writing the book every dating woman needs!"--Sharyn Wolf, author of Guerrilla Dating Tactics
