AT LAST—SOUND, PRACTICAL RELIEF

FOR PARENTS WITH BATTLING KIDS!

Imagine. You might never again have to hear the words: “Mommy, Ann drooled on me on purpose.” You could have the answer for every “It’s not fair!” your kids have ever whined at you. Constant sibling squabbling—and the ensuing demand that you pick a side, quick—can wear parents down and totally drain the fun right out of family life. Now in this groundbreaking book, Dr. Anthony Wolf offers a whole new strategy for coping. In a fresh, funny, and straightforward way, Dr. Wolf presents three essential rules for dealing with sibling arguments—rules that, if followed, completely remove the root causes of bickering. From teasing and hitting to rivalries and boundaries, Dr. Wolf addresses a wide range of issues, and he does it with humor and a pitch-perfect ear for actual kid/parent dialogue. This is a book about real children—who they are, what they want, why they act as they do, and what you can do to alleviate the strife between siblings.
