For every woman who thinks that The Rules were meant to be broken, here's a guide for the single girl who is tired of passive game-playing

The key to enjoying the single life is to lead a full and rewarding existence. For dating to be successful, single women must first acquire the most attractive quality-a fun, happy, and productive life. From setting goals, nurturing friendships, and being kind to oneself, Jennifer Bawden provides both practical and inspirational guidance for women who desire a whole new outlook on their singlehood. Once they have gained esteem and support, readers are ready to apply Bawden's frontline tactics for meeting men. From the first approach in a crowded room and strategies for "the call back" to handy icebreakers for the first date, Bawden shows how to proactively pursue a variety of interesting prospects. Get a Life, Then Get a Man inspires women to take back their dating destinies-to get confident in their actions and smart about their choices. In the process, they'll discover that being single can truly be fun, free, and satisfying.
