# Photoshop 7 Image Ready for the Web

[Photoshop 7 Image Ready for the Web_下载链接1_](#)

著者:Kabili, Jan

出版者:Addison-Wesley

出版时间:2002-12

装帧:Pap

isbn:9780321112767

Photoshop 7/ImageReady for the Web Hands-On Training uses guided, tutorial-based exercises to teach readers how to use Photoshop and ImageReady to create high-quality images for the Web. In this book, you'll find carefully developed lessons and exercises that have been tested in Lynda Weinman's Lynda.com digital arts

training center. Each lesson contains extensive background information, which helps readers understand the process as well as the particular exercise. Readers will learn how to create Photoshop rollovers, animation, image maps, transparency, layer styles, automation techniques, and more. This book is designed to meet the needs of beginning to intermediate Web designers, as well as Photoshop users who are looking for a great tool to create graphics for the Web.
