isbn:9780395845172

Unhappy about having to spend the summer with his great aunt in Chinatown, Peter discovers a sense of satisfaction in repairing the old ten-man dragon he finds in a shop window, with the help of his new friends. "The well-written text, as substantial as the artwork in specific and authentic detail, draws readers into Peter's new world. A welcome story about contemporary Chinese American life." -- School Library Journal
