

The Little Ballerina

[The Little Ballerina 下载链接1](#)

著者:Ross, Katharine/ Petach, Heidi (ILT)

出版者:Random House Childrens Books

出版时间:1996-8

装帧:Pap

isbn:9780679849155

Illustrated in full color. The Little Ballerina will dance her way into the hearts of little girls everywhere. Readers will share her determination as she practices the five basic positions, works at the barre, and struggles to do a perfect pirouette. And they will cheer when she shines as a sunbeam in the Big Recital! Ballet terms, pronunciation guide, and illustrations of steps are

included.
