著者:Carney-nunes, Charisse/ Williams, Ann Marie (ILT)

出版者:Biblio Distribution

出版时间:2005-12

装帧:HRD

isbn:9780974814216

Nappy is a humorous and delightfully illustrated children's story containing a powerful message about history, heritage and high self-esteem. Though joyful and lighthearted, the book is an educational tool for parents, teachers and older children with the back

matter containing biographies about each of the African-American women honored in the story, alongside beautiful original sketches by the illustrator.
