It’s the last day of the school year, so it must be time for Wiglaf and all his friends at Dragon Slayers’ Academy to go home and enjoy the lazy hazy days of a medieval summer. Ummm, not quite. Not when Mordred the gold-hungry headmaster realizes there’s money to be made running a camp. This double-sized summer super special packs in twice the fun for fans of DSA, and there’s a full-color 8-page insert that pulls out and includes a ghost story, jokes, and more. The Horn Book calls DSA "a hilarious and deservedly popular magic-propelled series set in the Middle Ages."
