When Verne the turtle and his woodland friends wake up from their hibernation, they find a suburban neighborhood encroaching on their forest home, Verne's first instinct is to retreat into his shell and leave, but then he meets R.J., a con-artist racoon. R.J. views suburbia as a treasure trove of goodies waiting to be discovered. And since he owes a very angry bear a lot of food, the opportunity is to good to pass up -- especially if he can convince his new friends to help him!
