Ella love-love - loves her brand-new umbrella. It's sky blue with white clouds, and it makes the most satisfying whoosh...click sound. Rain or shine, Ella insists on taking it with her everywhere. Unfortunately, a whoosh-clicking umbrella can cause serious trouble...especially at a ballet recital. It's a good thing Ella is a problem solver, because she's going to need to be creative to get what she wants. Sarah Weeks and Doug

Cushman deliver a hilarious and universal tale about a little girl's trouble letting go of a favourite object.
