Stickers, SCRABBLE(R), and crossword fun: what could be better? With these 25 super-simple puzzles based on the popular board game kids can effortlessly learn new vocabulary and practice both spelling and phonics. And they'll really enjoy filling in the

answers with stickers that look just like SCRABBLE tiles. As an additional clue, the grids include the value of each correct letter. So if the child gets stuck, and sees that the letter is five points, then he or she will know that it has to be a "K." Six sheets with more than 500 reusable stickers are included.
