isbn:9781591472445

In this story, Kate--"a new big sister"--explains her feelings of being left out and forgotten when her baby brother Daniel arrives. She experiences the typical confusion and mixed emotions that result from having to share her parents with a new and demanding sibling. But with wit and a resourceful nature, Kate explores her new role and achieves the confidence to embrace her little brother. Includes a "Note to Parents" by psychologist and author Jane Annunziata, PsyD.
