Children of divorced parents are sometimes confused or troubled when one parent decides to remarry. This book offers them reassurance. The sensitively written "Let's Talk About It Books" encourage preschool-age and early-grades children to explore their feelings, and speak openly to a parent or other trusted adult about things that trouble them. Each title discusses a particular concern or anxiety that children often encounter in the course of growing up. All books in this series have appealing color illustrations on every page, and are available in both English and Spanish language editions. A short section at the back of each book offers advice to parents.
