Walter Farley's tales of bravery, instinct, and survival have been captivating readers for almost 65 years. Here, in a handsome gift set, are four of the best, starting with *The Black Stallion*, where Alec Ramsay saves the Black after a shipwreck. The bond they form cannot be broken. This bond survives their separation in *The Black Stallion Returns*, when Alec returns the magnificent horse to his original owner in Arabia. Reunited in *The Black Stallion's Ghost*, they survive a terrifying curse. Finally, in *The Black Stallion Revolts*, they are separated again after a plane crash, and Alec is suspected of murder as the Black runs wild! Each gripping tale culminates in a thrilling race to the finish!
