This title is suitable for ages 4-8. Sometimes life presents us with unexpected magical moments. So it is in this tale of a snowman named just Bob: when a young child builds a snowman, he comes to life just long enough to impart a few thoughts about the importance of building and holding friendships dear. Illustrated with warmth and whimsy, this book is a classic story the whole family can share.

极为美丽的水粉画，对象的透视交联循环，画面的填充感和色调堪称艺术品..最喜爱的是倒数第二张图..雪人bob的故事很简单，文字似乎过分优雅和追求韵律了，读完感觉是极美，仿若受了洗涤般..再漂亮的雪人他化了，读这本书后也感觉不到哀伤..另外那种万圣字体在整页密集展现时真是漂亮极了！

I don't think it's simple enough for a kid to understand. Yet I find it so beautifully written that I couldn't help reading out.

不比另外一个snowman深入人心

SooooO..Sweet

雪人总是让我悲伤，无论有多快乐！

Bob was here. Bob is always near.雪人的故事中外共通啊……
