出版时间:2008-12-14

装帧:eBook

isbn:9780316054638

The nightmares began for William Manchester 23 years after WW II. In his dreams he lived with the recurring image of a battle-weary youth (himself), "angrily demanding to know what had happened to the three decades since he had laid down his arms." To find out, Manchester visited those places in the Pacific where as a young Marine he fought the Japanese, and in this book examines his experiences in the line with his fellow soldiers (his "brothers"). He gives us an honest and unabashedly emotional account of his part in the war in the Pacific. "The most moving memoir of combat on WW II that I have ever read. A testimony to the fortitude of man...a gripping, haunting, book." --William L. Shirer

作者介绍:

William Manchester is Professor of History Emeritus at Wesleyan University. His

bestselling books include The Last Lion, a multi-volume biography of Winston Churchill; American Caesar, a biography of Douglas MacArthur; The Death of a President, The Arms of Krupp, and A World Lit Only by Fire. He lives in Connecticut.
