Tess McDonald is running the show and whatever she wants is less than a phone call away. Nikki Howard has what she thinks is the greatest job in the world because she gets to ride fast cars and carry a gun. Kim Sheppard is at the pinnacle of corporate success, the envy of men and women alike. Then Tess loses her business and everything she's worked for, Nikki is convicted of a crime she didn't commit, and Kim is accused of corporate theft, potentially at risk of losing her for reputation. But fate truly intercedes when they meet in of all places - their doctor's office. And from that day forward they form a unique alliance. Not only will they bond together to reclaim what they've lost, but in each other they'll discover what they'd been searching for all along.
