Adobe Creative Suite 3, the most popular design suite on the market today, now has the perfect companion resource to guide readers through Adobe InDesign, Adobe Photoshop, and Adobe Illustrator CS3. The Design Collection Revealed offers comprehensive step-by-step instruction as well as in-depth conceptual information about the features of the latest release of these three programs- all in one book! With clear, straightforward descriptions, end-of-chapter learning projects, and step-by-step tutorials, readers will acquire the skills needed to master the software and create strong design pieces. The full-color, vibrant illustrations and user-friendly design make this an ideal book for staying up-to-date on the very latest features of this popular design suite.
