This wonderfully weird and wacky early reader series delivers laugh-a-page humor that is perfect for reluctant readers.

In the seventh hysterical tale, a carton of rancid eggnog bubbles to life, devouring unfortunate citizens and plastic reindeer on the lawns of Gingham County. With the power to morph into the shape of people, the eggy menace seems unstoppable, withstanding spitballs and even a group of relentless Christmas carolers. Will Wiley and Grampa, with the help of Roberto Claus--the fruitcake-wielding owner of Santa's Happytown Shanty Village--save the day, or will the killer eggnog leave a trail of chaos and nutmeg in its slippery path?
