Who better to wreak havoc with eight beloved fairytales than Gregory Maguire, the brilliantly funny author of the adult novel *Wicked: The Life and Times of the Wicked Witch of the West*, as well as of the hilarious middle-grade series, *The Hamlet Chronicles*. Zany animals of all species run through these fractured tales with alarming speed and dexterity. Who would have thought that *Sleeping Beauty*, that most regal of all fairy-tales, could be twisted into the story of a frog with a most unusual and promising dance career? Get ready to meet a gorilla queen and a psycho chimp, seven giant giraffes; and one very bad walrus.
