Katie can't wait to go on a European vacation with her family! She's so excited to see new things and learn how people in other countries live. But she realizes that traveling abroad is harder than she thought, especially when you don't speak another language! And to make matters worse, the magic wind appears four times—turning her into a Buckingham Palace guard, a flamenco dancer in Spain, a gondola driver in Venice, and an artist in Paris! Will Katie be able to handle this vacation chaos?!
