出版者:Simon & Schuster

出版时间:1971-8

装帧:SAL

isbn:9780027440003

A delightful telling makes this story of a greedy fox's adventure as catchy as a nursery rhyme. Crisp, happy pictures add to the fun. Inspired by an Armenian folktale, the rhythmic, cumulative text will have small listeners "reading along" and matching words to pictures well before the story is ended.
