Abby's up against her rival Belinda Fishcake in a talent contest ...unfortunately Abby has a voice that can peel paint, and the brace doesn't help either Handsome Harris, Grandma Aphrodite's husband, is now living with Abby and her family - and the house is beginning to seem very small. Especially when he starts up an odd-job business from their back-yard. And Grandma is going all out for her Aphrodite's Ark business. Then a man with a big black beard and a baseball cap starts lurking around outside the house. Abby's convinced it's the Australian mafia, who've finally caught up with Handsome Harris ...
