

Good Night, Summer Lights

[Good Night, Summer Lights_ 下载链接1](#)

著者:Bryant, Laura J.

出版时间:2005-5

装帧:HRD

isbn:9780794406714

The charming, rhyming text captures the magic of a summer night as a group of children discover the beauty and wonder of all kinds of lights everywhere they go, including sparklers, fireworks, fireflies, carnival lights, and shooting stars. The text is accompanied by lovely artwork that uses the fiber optic effects as a colorful and interactive centerpiece. The fiber optic lights are easily activated by pressing the on/off button, letting youngsters literally brighten up the pages as they read the story.
