Someone has been getting into the feed in the feed shed, and Slim has put out a trap for the offending party. As Head of Ranch Security, Hank knows it's his job to check the trap and help Slim nail the culprit. Unfortunately, the trap is a bit trickier than Hank expected, and when he finds himself face-to-face with none other than his old buddy Eddy the Rac, Hank's in a rather compromising position. Can Eddy help Hank out, or does the cunning coon have only his own best interests in mind?
