Vivian Montgomery has it all: a beautiful home, lovely children, and a pastor husband who makes her shout "Hallelujah"--and not just in church. There's no doubt Pastor Montgomery has a healthy appreciation for the Lord and for the pleasures of the flesh. If only Vivian's best friend, Tai, was so blessed. Tai's husband, King, is a pastor too, but he's already had two affairs and Tai suspects he's at it again. Now she's got a choice--threaten to shoot any would-be husband stealing floozy or listen for God's instruction. But Tai's husband isn't the only one breaking commandments. Whether married and playing around, or single and open for business, the members of Vivian and Tai's congregations are getting themselves into a whole lot of sizzling trouble...
