In this sizzling romantic suspense, the popular author of "Into Danger" brings together a woman with no past with a man who has given up on his future. Rick Harden, CIA's Task Force Operations Chief, made a mistake ten years ago and his wife paid the ultimate price. He is content to be out of field work and instead play the bureaucrat...until his superior is arrested for treason, and a woman resembling his dead wife arrives on the scene. Nikki Taylor is a woman with no past, having lost part of her memory in a field operation gone wrong. But her superiors promised they would help her find her past, if she would do them one more job -- find out if Rick Harden is in league with the traitor. Knowing she resembles Rick's late wife, Nikki embarks on a dangerous game of seduction that will be more than either of them bargained for.
