After being passed over for a promotion, and currently between boyfriends, thirtyish Jen Brenner figures its time for a major life change. So it's goodbye to San Francisco and her sexy ex-boyfriend—and howdy to roughing it in the wilds of Montana.

As a reporter for Montana's Meredith Gazette, Jen is suddenly getting cruised by park rangers and interviewing ranchers who think crème brûlée is men's hair gel. Then she meets a rugged western vision in jeans and snakeskin boots: EPA agent Bruce Mortensen. So what if he has baggage—a manipulative soon-to-be-ex-wife and a jealous ten-year-old daughter? He's a real man who's making her feel like a real woman for the first time in her life.

But is it really love or just the hottest sex ever? Jen's on a mission to find out...especially when her ex comes back into the picture. Now she's caught between two men who couldn't be more different. And what happens next will surprise everyone—even her...
