What Would You Do If a Secret Was Causing Your Family to Crumble? Is there a secret terrible enough that it should never be revealed, not even if it was tearing a family apart? For more than five decades Emma Bauer has kept one carefully guarding it with all her strength, and for more than five decades that choice has haunted her life and also the lives of her daughters and granddaughter. Is it too late for wrongs to be righted? Does Emma even have the strength to let the healing power of truth work in her family? The story of four generations of women and the powerful effects that their choices have had on their lives is at the heart of *Eve's Daughters*, a new epic novel from author Lynn Austin. Grand in scope but tender and personal at the same time, it will please you as a fan of contemporary or historical fiction. Exploring times from World War I to the 1980s, *Eve's Daughters* is an insightful look at mothers, daughters, sisters, and families that allows you to see a little bit of yourself through the characters' triumphs, struggles, and hard-tested faith. Yearning for love, dignity, and freedom, the four generations of women must come to terms with the choices they have made. Healing comes when the past is forgiven but only when they embrace God's forgiveness can they shatter the cycle that has ruled their lives over the decades.
