Forget the restaurant guides compiled by a panel of mysterious experts, these guides are by the real insiders: more than 600 of the world's leading chefs. Listing their favourite places to eat from neighbourhood eateries to high-end restaurants, Where Chefs Eat is the ultimate guide to the world's best food. With entertaining reviews the books should appeal to restaurant-goers and food lovers worldwide.

More places to go.

在书店翻了下上海部分，还不错。

……覆盖全面！

phaidon出这本书的意义何在… 信息变更这么快…

建筑师住哪儿。
