Leonora Carrington, the surrealist painter, is also a writer of extraordinary imagination and charm. Occult twin to Alice in Wonderland, *The Hearing Trumpet* is a classic of fantastic literature that has been translated and celebrated throughout the world. Luis Bunuel said this book, "Liberates us from the miserable reality of our days". Our fastest selling title last year.

评论

Her biography reads as a series of resistances to conformity: to her parents with their expectations based on class and gender; to educational institutions which repeatedly expected her for a variety of transgressions; to sexism where, as a feminist in Mexico, she questioned the assumed roles of wife and mother...
