

Fathers and Crows

[Fathers and Crows_ 下载链接1](#)

著者:Vollmann, William

出版者:Penguin USA

出版时间:1993-8

装帧:Pap

isbn:9780140167177

With the same panoramic vision and mythic sensibility he brought to *The Ice-Shirt*, Vollmann continues his hugely original fictional history of the clash of Indians and Europeans in the New World. Through the eyes of vastly different peoples, Vollmann reconstructs America's tragic past.
