There are human bones buried in an open field, the remains of a lost teenaged boy whose disappearance devastated a community more than thirty-five years ago ... and scarred a guilt-ridden friend forever. A long-hidden horror has been unearthed, dragging a tormented policeman back into a past he could never truly forget no matter how desperately he tried. A heinous crime that occurred too close to home still has its grip on Chief Inspector Alan Banks -- and it's leading him into a dark place where evil still dwells. Because the secrets that doomed young Graham Marshall back in 1965 remain alive and lethal -- and disturbing them could cost Banks much more than he ever imagined.
