装帧:Pap

isbn:9780765354198

New York Times bestsellers Sharyn McCrumb, Joyce Carol Oates, and Anne Perry each provided a brand-new, never-before-published tale for this unique collection of stories edited by "New York Times" bestselling author and mystery legend Ed McBain. "The Resurrection Man" by Sharyn McCrumb: During America's first century, doctors used any means necessary to advance their craft--including dissecting corpses. Sharyn McCrumb brings the South of the 1850s to life in this story of a man who is assigned to dig up bodies to help those that are still alive. "The Corn Maiden" by Joyce Carol Oates: When a twelve-year-old girl is abducted in a small New York town, the crime starts a spiral of destruction and despair as only this master of psychological suspense could write it. "Hostages" by Anne Perry: The bestselling historical mystery author has written a tale of beautiful yet still savage Ireland today. In their eternal struggle for freedom, there is about to be a changing of the guard in the Irish Republican Army. Yet for some, old habits--and honor--still die hard, even at gunpoint.
