Finally, Nina is fed up. Now that she knows for certain that her husband, a pastor of a smallcongregation that meets in their rural Texas home, has been "borrowing" from the church, Nina is ready to leave him for a new life, in a new town. And since Trent has never been an honest man, leaving him for New York Cityisn't as hard as she thought. Her quest to reinvent herself leads her down a road full of new experiences... and new men who want to share them with her.
