It's not about golf. It's about life. Set in a small Oklahoma town in the mid-1960s-a simple place in a confusing time-"Flatbellies" is partly about the seemingly unreachable goal of a high school golf team: to win the state championship. But mostly it's about the way Chipper, Jay, L.K., Buster, the unforgettable Peachy, and their friends learn to deal with love, loss, friendship, fear, triumph, tragedy, growing up, and growing together. Fictionalized from the author's teenage years in the heartland of America, "Flatbellies" is a memorable and moving coming-of-age story.
