Elizabeth!!!! Look at this note!! Over here!!! On the Fridge!!!!!!!!!! Hope you're feeling better. If you're dead, ring me. I'm at an emergency meeting of the poetry club. I want to make you a special lemon souffle. The recipe is in the bottom draw - you're welcome to begin it anytime. (And see if you can think of a slogan for Raspberry-flavoured cat food) Love - your thoughtful and considerate Mum. PS: Have you heard anything from Celia yet?
