# Celtic Borders

著者:Meehan, Aidan

出版者:W W Norton & Co Inc

出版时间:1999-3

装帧:Pap

isbn:9780500280676

Borders are a natural development of Celtic patterns, whereby an abstract or animal pattern may be repeated to fill a band or frame a panel. This book shows how to create a variety of rectangular Celtic borders, based on a simple square-grid. The borders are

proportioned to fit a standard letter-size page, but are equally suited for stationery or illuminated pages, and are adaptable to any number of craft applications.
