Contributions from Enrico Astori, Dinah Casson, Sheridan Coakley, Terence Conran, Jane Dillon, Rasshied Din, Tom Dixon, Marcus Field, Constantin Greic, Geoff Hollington, Hansjerg Maier-Aichen, Seth Stein, Paul Thompson, Michael Warren, Christopher Wilk and Gareth Williams. Matthew Hilton is one of the leading contemporary designers of

the late 20th century. For over 15 years he has produced a consistent body of important and internationally recognized avant-garde furniture design. Perhaps his best-known and most popular pieces have been the glass and aluminum 'Flipper' coffee table (often used in show apartments), his 'Wait' chair (made from fully recyclable plastic) and the 'Balzac' armchair.
