Two boys. Two secrets.

David Piper has always been an outsider. His parents think he's gay. The school bully thinks he's a freak. Only his two best friends know the real truth – David wants to be a girl.

On the first day at his new school Leo Denton has one goal – to be invisible. Attracting the attention of the most beautiful girl in year eleven is definitely not part of that plan.

When Leo stands up for David in a fight, an unlikely friendship forms. But things are about to get messy. Because at Eden Park School secrets have a funny habit of not staying secret for long...
