In this strikingly original story collection, Rachel Sherman evokes the wonders and horrors of a young woman's life, from girl to teenager to adult, through crushes, sex, family, and the agonies and ecstasies of finding one's way. *The First Hurt* heralds the arrival of a singularly fresh and remarkably assured new voice. Sherman's beautifully direct and deceptively simple prose produces accessible, shockingly real narratives that combine a disarming sexual edge with great sensitivity and humor. From a high-school girl's crush on her female teacher, to a family's serenity threatened by a sexy Danish au pair, to a girl's sexually outrageous soldier penpal, all the way to a young couple's horrifying yet life-affirming experience of learning to love their brain-injured newborn twins, this collection wends its way around the deepest of struggles with unusual frankness and wisdom.
