ames E. Keirans spent years writing this companion to the works of John Dickson Carr. It is the essential guide to the Henry Merrivale and Gideon Fell novels and historical potboilers written by the acknowledged master of the locked room mystery. Introduced by Keirans and completely indexed, it contains over 300 pages of JDC lore, alphabetized and organized in a readable way.

作者介绍:

James E. Keirans has a long-standing interest in the writings of John Dickson Carr. His articles on aspects of Carr's novels have previously been published in CADS.
