Don't Even Think About Teaching Your Child at Home—Until You Read This Book

Discover why millions of parents are homeschooling their children. In this revised edition of her groundbreaking book, Mary Griffith tells you everything you need to

know about the fastest-growing educational movement in the country, including:

- When, why, and how to homeschool
- Detailed learning ideas for the primary, middle, and teen years
- How to navigate the local regulations
- Strategies to avoid burnout and strengthen family relationships
- Resources in the community and the homeschooling network
- And more!

Whether you're one of the nearly one million families in the country already homeschooling, planning to take the plunge, or just testing the water, this hands-on book will help!

"The Homeschooling Handbook is a valuable resource for anyone interested in nurturing their child. Whether you homeschool or not, you will find many fresh ideas for working with children in these pages." —Patrick Farenga, publisher, Growing Without Schooling

"If you're looking for practical, commonsense advice about homeschooling, if you're looking for answers to the really tough questions from someone with real insights to the movement, if you're looking for sensible commentary backed up by experience and savvy, Mary Griffith's The Homeschooling Handbook is just what you're looking for!" —Helen Hegener, editor, Home Education Magazine
