Written by two of the Caribbean's leading historians, *Freedoms Won* is an essential book for students engaged in following courses on the history of the Caribbean. It will also be of interest to general readers seeking information on the history of the region. Starting with the aftermath of emancipation, *Freedoms Won* covers the African-Caribbean peasantry, Asian arrival in the Caribbean, social and political experiences of the working classes in the immediate post-slavery period, the Caribbean economy, US intervention and imperialist tendencies from the 18th century, the Labour Movement in the Caribbean in the 20th century, the social life and culture of the Caribbean people, and social protest, decolonisation and nationhood.
