After he is left for dead during the Clone Wars, a single trooper comes to hate the Jedi who abandoned him. Years later, he hears of a great and powerful warrior--the hand of the new Galactic Empire, Darth Vader! Seeking to serve the Dark Lord, this man, Hock, becomes a stormtrooper and works to gain the respect of Vader. During a mission against a group of remnant Separatists, Hock finds himself fighting side by side with Darth Vader, and the bitterness that had grown inside him is brought to rest.

"A fine example of what Vader can and should be all about." -Comic Book Resources
