Kathy Cano Murillo, known as the Crafty Chica, launched her publishing career with two lively books: "Making Shadow Boxes" and "Shrines and La Casa Loca", which means 'the crazy house'. All of the projects that she designed for those two books are

now featured in this classy-meets-camp companion collection of Latino-American pop art. The projects include everything from party gear to home decorations, from garden accessories to gifts and from shrines to jewellery. More than 60 fabulous ideas incorporate paint, fabric, collage, embellishments and a heavy dose of glitter. With its combination of style, information and inspiration, this is the book for all of those with a taste for Latina style.
