Watercolour is one of the most popular of all the painting and drawing methods. This comprehensive and practical guide for beginners explores all aspects of the medium,

from choosing materials and building up a simple picture, to more advanced composition and selling your artwork. Simple step-by-step exercises clearly explain the techniques, while the complementary projects based on Debbie's stunning watercolour paintings are a great starting point for experimenting with your new skills. This book includes: Getting started, Handling watercolour, Watercolour tips & techniques, Colour, Art Theory, Drawing & Tone, Composition & Perspective, Nature in Watercolour, Special Challenge Projects, and Become an Artist.
