This collection offers quick-to-knit patterns for easy-to-wear Arans and simple textured knits using Lopi, the uniquely lightweight bulky yarn spun in Iceland from its long-coated native sheep. With 45 unique designs, "The Best of Lopi" celebrates the tradition of the Icelandic yoked sweater with updated sizing, colourway choices, and clearly illustrated techniques. Included are step-by-step charts and instructions for classic Lopi pullovers and cardigans as well as hats, mittens, and scarves. It includes an index and palette aid knitters with pattern selection and colour blending.
